There are situations where you can not take your own aids with you – for example, on longer trips within Germany. MeinHilfsmittel.de is an easy way for you to rent an aid quickly and easily online. MeinHilfsmittel.de forward your order to a certified medical supply store, which has many years of experience in the supply of medical aids and free capacities to provide your resource quickly. You can both pick up and deliver your aid. And with the additional insurance cover provided by BarmeniaProtect, you are on the safe side when it comes to renting aids: A special feature by BarmeniaProtect insures your aid against theft and destruction. If there is any damage or theft you just turn to your local medical supply store straight away, without worrying about anything.

Choose the insurance for your aid:
